Snap a photo for each of the 12 letters, as follows:

P-R-C-A-M-E-R-A-C-L-U-B (i.e., something beginning with "P", then "R" then "C", etc., until you have 12 images (Plus a self-portrait, if you like; not mandatory)

(Note: You get to make 2 images beginning with "C")

You can bring a flash drive or a disk to the December meeting with 12 digital images that you have collected from January-December 2011 (If you do not have digital images, then bring your prints for viewing.)

Even if you do not have all 12 images, come to the meeting with whatever you have collected over the year. This is a program with many surprises, as our very creative Club members often show some amusing and imaginative images for this Scavenger Hunt.
